Services We Offer

We are a licensed and bonded company... We track down property such as Cars, Trucks, Suv, Semi Trucks and Trailers, Campers, Atv, to Boats. Basically anything. We also offer skip tracing services and Private Processor Services. No job is too big or too small, we get them all.

Prices list for most fees

Repossession within a 75 mile radius will be a standard \$200.00 fee. Anything over will be discussed prior.

We have a secure repo lot if needed.

We also do inventory if needed plus pictures of inside and out. \$50.00 fee

We will hold vehicles in our lot for 7 days free of charge. Then there will be a \$15.00 per day fee. All fees must be paid before release.. If we do inventory of vehicles, we will only hold properties for 30 days.

We also have a detail shop, standard wash and inside clean up is \$50.00..

Wax is an extra \$30.00

Contract

Bright's Auto Recovery will work 100% for our clients, We will keep up to date notes, also will keep in communication with the lien holders. We expect the same in return. When lenders send us assets to pick up, and we start working on the case.. We know sometimes the debtor's will come in and pay when they find out the repo man is looking for them.. When that happens we will expect A \$100.00 close out fee.
